INSTRUCTIONS

1. **Purchase orders will be submitted to the contractor via the Commonwealth of Virginia's electronic procurement system, also known as Eva. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in Eva executed by the contractor. If this contract is authorized for use by localities, Virginia cities, counties, town and political subdivisions may use this contract only if the orders are placed through Eva.**
2. Inspection on delivery and approval of vendor's invoice is the responsibility of receiving state agency, Virginia city, county, town or political subdivision.
3. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Form "Complaint to State Vendor" (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, is available from the Division of Purchases and Supply website www.dgs.state.va.us (Click on DPS icon, click on DPS forms).
4. Renewals. One (1) one year renewals remain. The decision as to whether to exercise the next renewal option will be made by the contract officer approximately four to six months in advance of the expiration date of the current term.
5. Any changes whether for increases or decreases in pricing, delivery terms or additional options must be approved by the Division of Purchases and Supply in advance of issuance of the purchase order. Disputes between the ordering agency and the vendor will be resolved in accordance with the terms of the contract and any change orders/renewals unless prior approval was granted by DPS.
6. This contract was bid by the vendor with the understanding that the dealer is not required to maintain an inventory of vehicles for this contract. The dealer factory orders the vehicles. Thus, purchasers are encouraged to order vehicles early in the contract cycle. The buildout date is the last date that a dealer can order a vehicle. This date is some times adjusted by the manufacturer due to production changes. Please check the buildout date before ordering.
7. If you need to cancel an order, cancel it early in the process. After a vehicle has been on order for a short time, (usually about 10 days), the manufacturer will not accept a cancellation.
